

Do More With Your Change

This automatic savings service rounds debit card purchases up to the nearest dollar and transfers the change to your savings account each night.

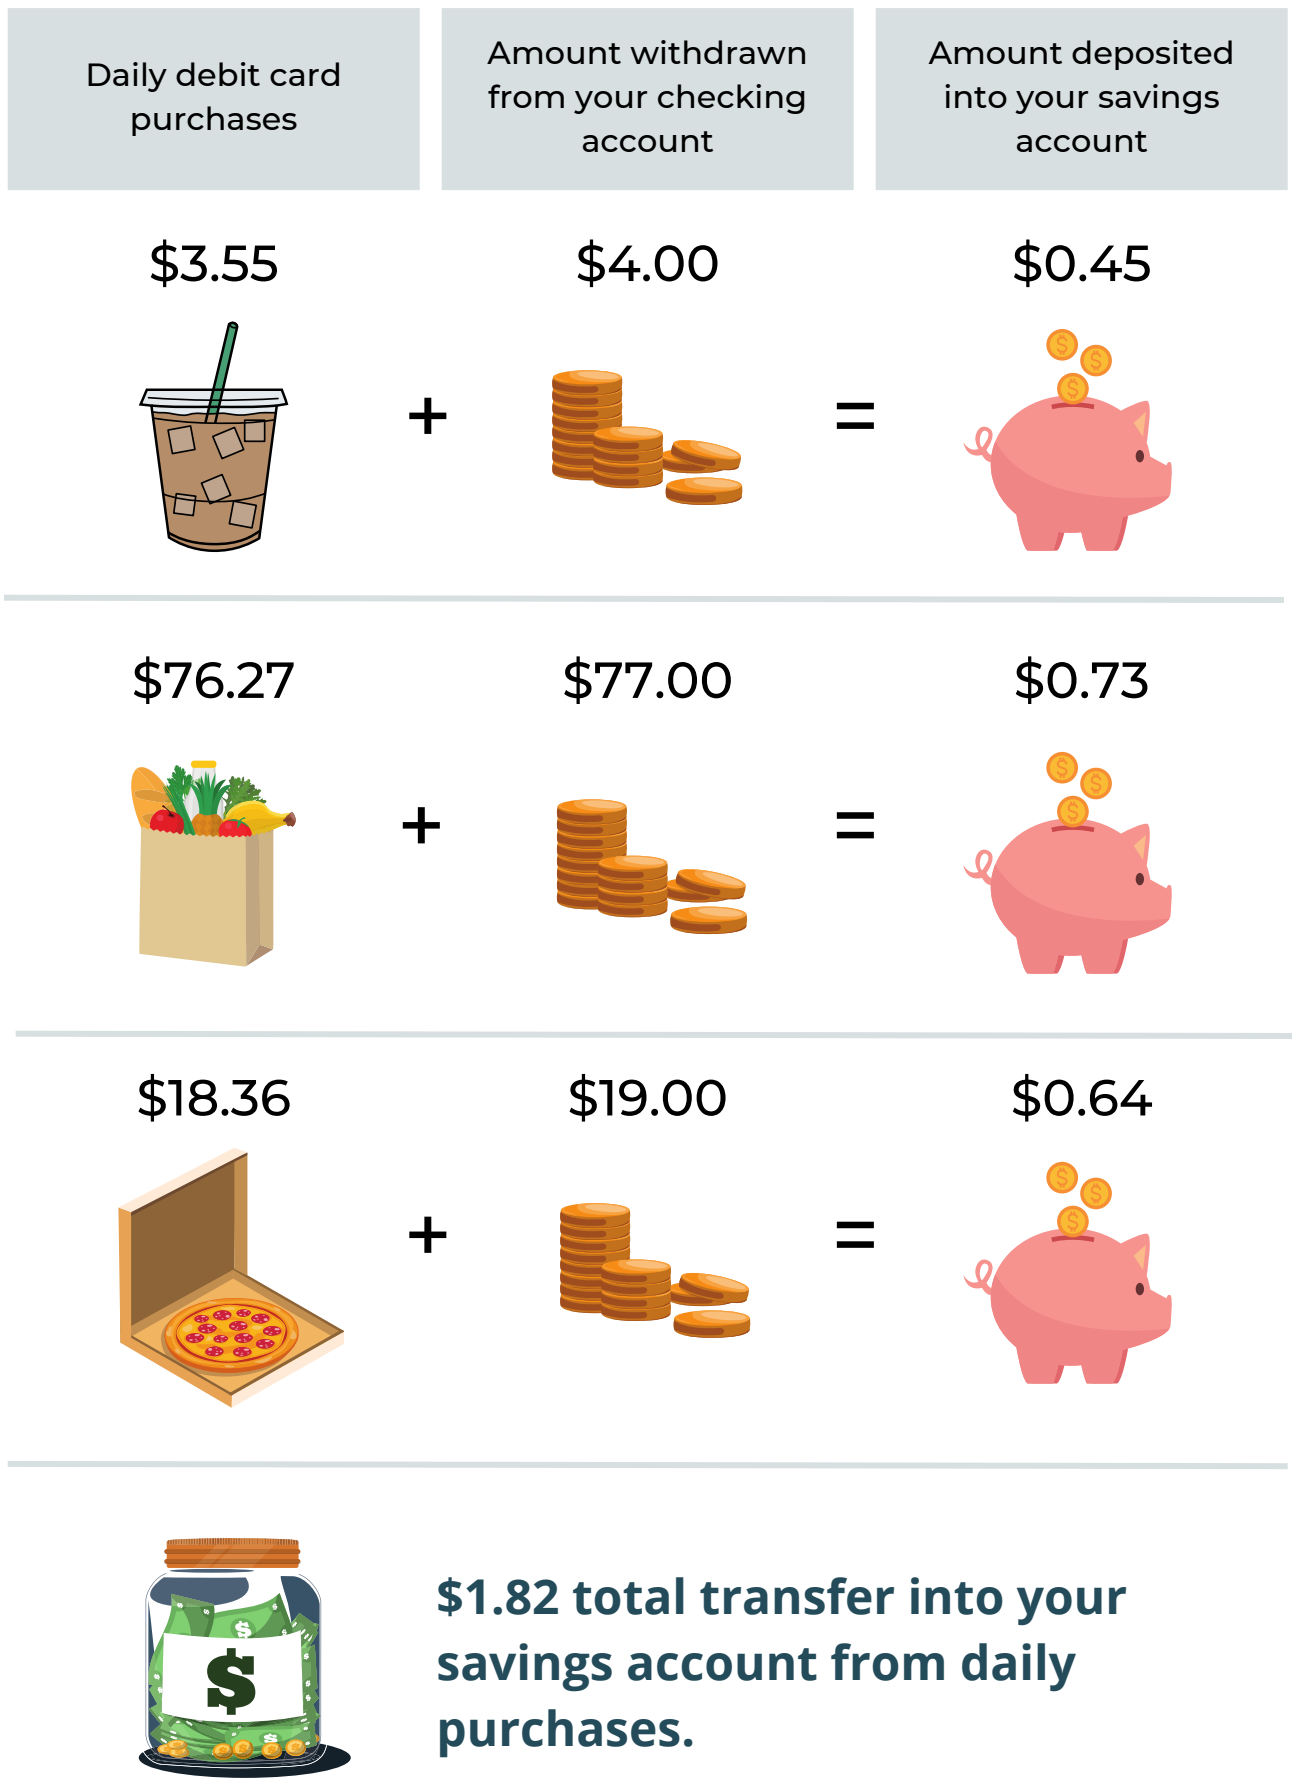

Hanscom
Federal Credit Union

An out-of-sight, out-of-mind way to save!

We'll round up each debit card purchase you make to the nearest dollar amount and transfer the difference to your savings account each night.

Here's how it works:

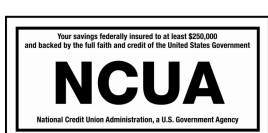

Terms & Conditions: Do More With Your Change Savings Service

When you enroll in our Do More With Your Change savings service, we round up the amount of any Hanscom FCU debit card purchase made by you or a joint owner of your checking account to the next whole dollar amount and transfer the amount in excess of the purchase price to your destination savings account.

We aggregate the round-up from purchases that post to your checking account each business day and make a single transfer (the "Round-up Transfer") at the end of the business day. If on a business day, you do not have sufficient available funds in your checking account, or if any transaction has overdrawn your checking account, we do not round-up purchases posted on that business day, and we cancel the Do More With Your Change transfer for that day.

If your debit card purchase is subsequently cancelled or reversed, the corresponding Do More With Your Change transfer will remain in the destination account. The Do More With Your Change savings service may be changed or cancelled by you at any time. We may cancel or modify the Do More With Your Change service at any time.
